## **ACPA Program Aims at Improved Education, Training**

**Skokie, Ill., March 5, 2010** – The American Concrete Pavement Association (ACPA) is offering a range of flexible options for professionals interested in education and training on a wide range of topics related to transportation-construction issues, including pavement design, construction, and rehabilitation. They include the following courses:

- **The 2010 ACPA Webinar Series ...** ACPA's popular webinar series in 2010 includes 18 online sessions featuring thorough discussions about the latest developments in concrete pavement technology, as well as other important technical topics. Participants may earn valuable professional development hours (PDH) after participating in these informative 60- to 90-minute events. ACPA webinars are held on Thursday afternoons at 1 p.m. Central | 2 p.m. Eastern.

[WEBINAR FLYER](#) | [WEBINAR REGISTRATION](#) | [LEARNING-ON-DEMAND](#)

- **Concrete Pavement Seminar Series ...** ACPA's Concrete Pavement Seminar Series returns in 2010 with an all new line-up for this popular course formerly known as “Concrete Pavements 101.” Now offered in modular format, this series of one-day seminars presents the theory and practice of designing, constructing, and rehabilitating concrete pavements. The new format allows the choice of one, two, or three days of training.

Participants may choose one, two, or all three of the modular programs:

- March 30 - Concrete Pavement Seminar Series, Seminar 1 (Design)
- March 31 - Concrete Pavement Seminar Series, Seminar 2 (Materials and Construction)
- April 1- Concrete Pavement Seminar Series, Seminar 3 (Rehabilitation, Restoration and Overlays)

The training will be held at the Homewood Suites by Hilton®/Lake Buena Vista/Orlando, Florida, 11400 Marbella Palm Ct., Orlando, FL 32836. Phone: 407.239.8500 | Fax: 407.239.8540 | Toll Free: 888-LBV.SUITES or 1.888.528.7848. Room rates begin at \$109/night per person.

- **ACPA Professors’ Seminar ...** This is one of the most highly regarded sources of up-to-date information on concrete paving technology for professors and other faculty in civil engineering, construction management, engineering technology, and related disciplines.

In response to strong demand, the ACPA Professors’ Seminar returns June 21 through 25.

This highly-rated program is available to a limited audience on a first-come/first-served basis. The comprehensive, five-day program includes presentations and in-depth discussions about current technological advances in highway, airfield, roadway, and industrial/commercial pavements. Two tours of nearby construction/rehabilitation projects also are planned.

The training will be held at the Hampton Inn & Suites Chicago-North Shore/Skokie, 5201 Old Orchard Road, Skokie, Illinois 60077. Phone: 847.583.1111. ACPA has arranged for a special room rate of \$109 per night (plus taxes). Please be sure to mention the ACPA room block to obtain this rate.
